# PRODUCT FEATURES

**Durable Soft PU  
Padding Support**

## Enhanced Armrest

Shift the whole arm up and down, coupled with the soft PU padded armrest, adjust each armrest to suit your exact support needs without risk of carpal tunnel.

## Extra Smooth Plexus 2.0 MicroFibre Seat Fabric

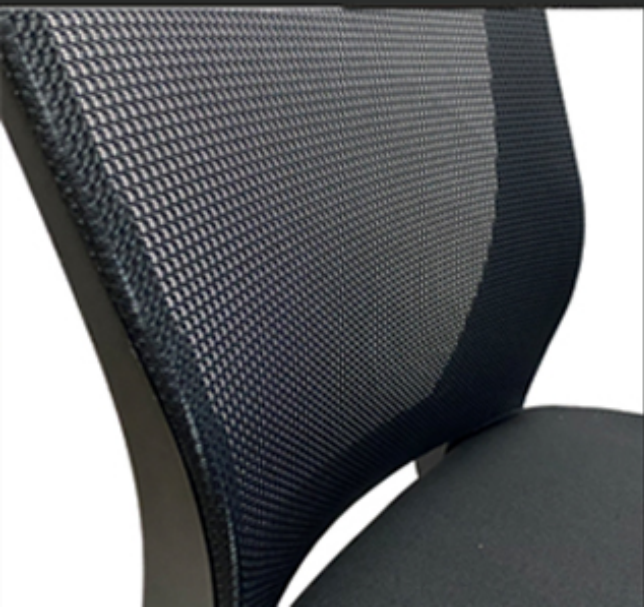

Enjoy your seat with the enhanced Plexus 2.0 MicroFibre seat fabric, no matter how intense your work gets. Engineered to be 3 times more durable than regular fabric, this improved upholstery greatly exceeds the industry standard for flexing and abrasion resistance, all while retaining the signature ergonomic feel that made it so popular.

**1.5 Times Density Mesh  
Designed for Maximum Support**

**X1.5  
Mesh fabric**

**b**

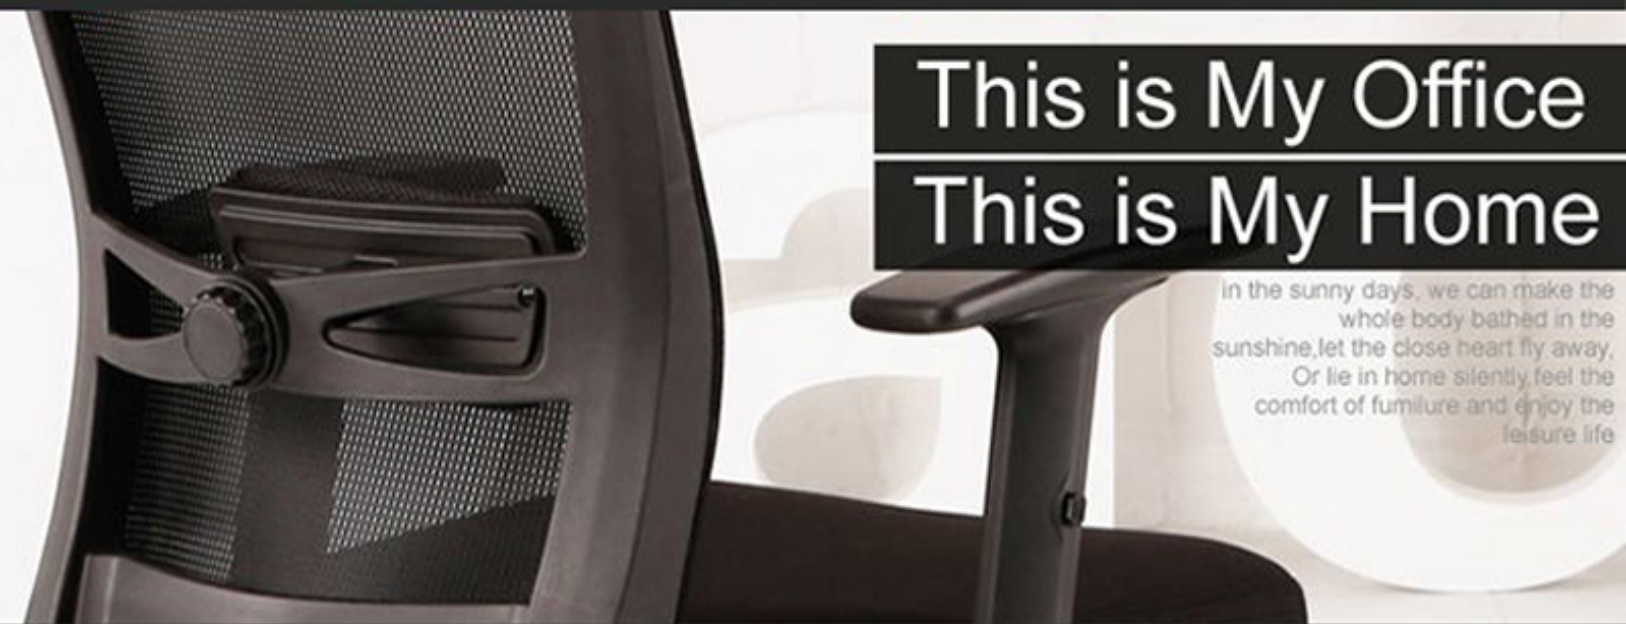

**Adjustable Lumbar Support  
Brings Relief to your Back**

## **Dynamic Mesh Lumbar Support**

Designed with your ergonomic posture in mind, Brandt brings you the latest mesh lumbar support. The mesh supports your lumbar at the same time, allows unblock air to pass through bringing you comfort without compromising support.

**Balanced Design that Brings  
Aesthetics and Stability Dramatically**

**This is My Office**  
**This is My Home**

in the sunny days, we can make the  
whole body bathed in the  
sunshine, let the close heart fly away,  
Or lie in home silently, feel the  
comfort of fumlire and enjoy the  
leisure life

## Leaning Made Easy

Sit with absolute peace of mind with the extra durable gaslift and european designed mechanism.

Height adjustment is being made easy with a lift of the handle. Tilting and leaning for relaxation is a must and not forgetting the tilt tension adjuster which allows you to adjust to the correct tension you desire.
