**iPOWER WC-T15**

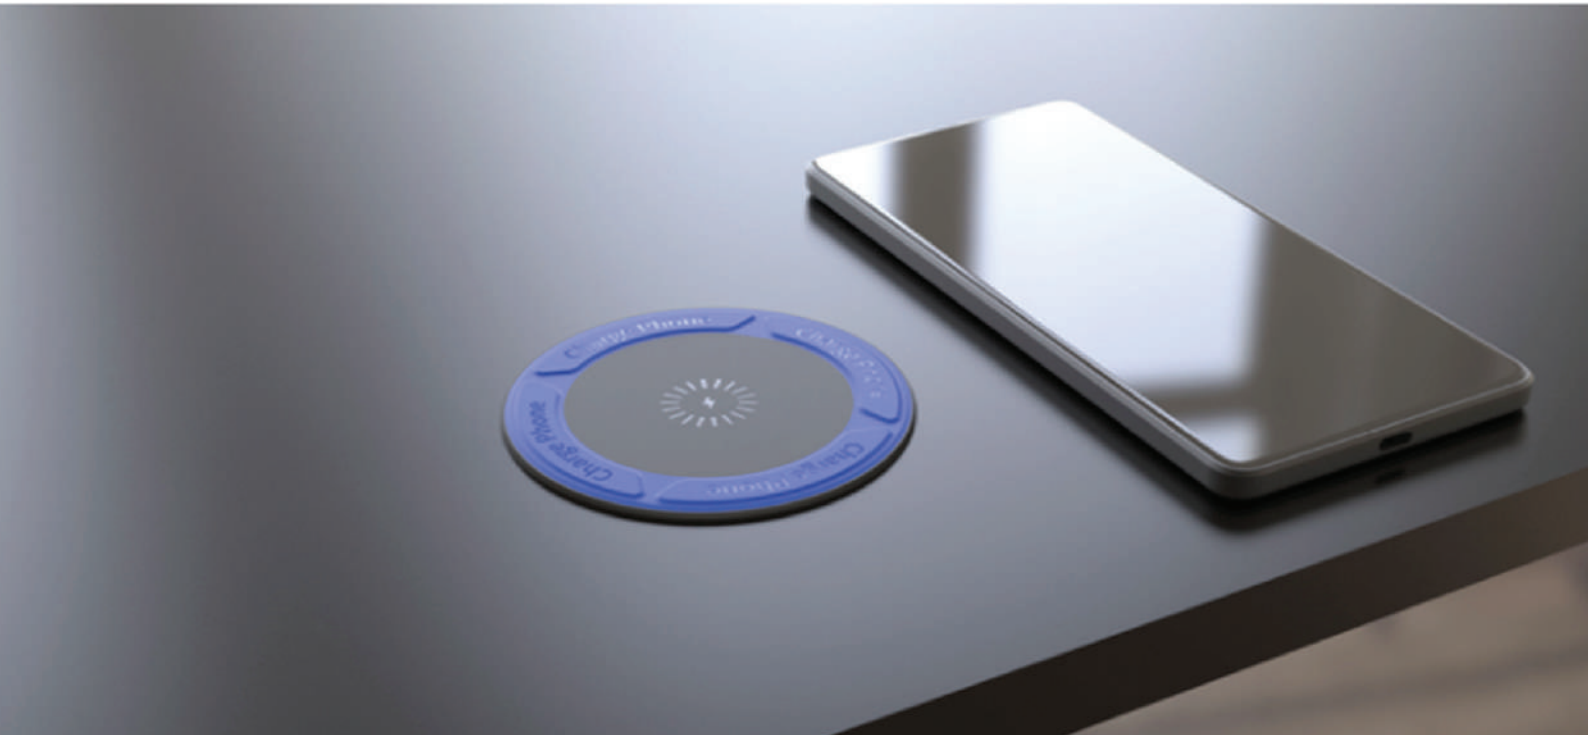

## DESIGN FOR FAST WIRELESS CHARGING

The iPower WC-T15 is a high-performance tabletop wireless charger designed for fast, reliable everyday use.

Delivering up to 15W of stable wireless charging, it powers compatible devices quickly and intuitively — simply place your phone on the charging pad and charging begins instantly. Ideal for workspaces, hospitality environments, and public areas where speed, accessibility, and ease of use matter.

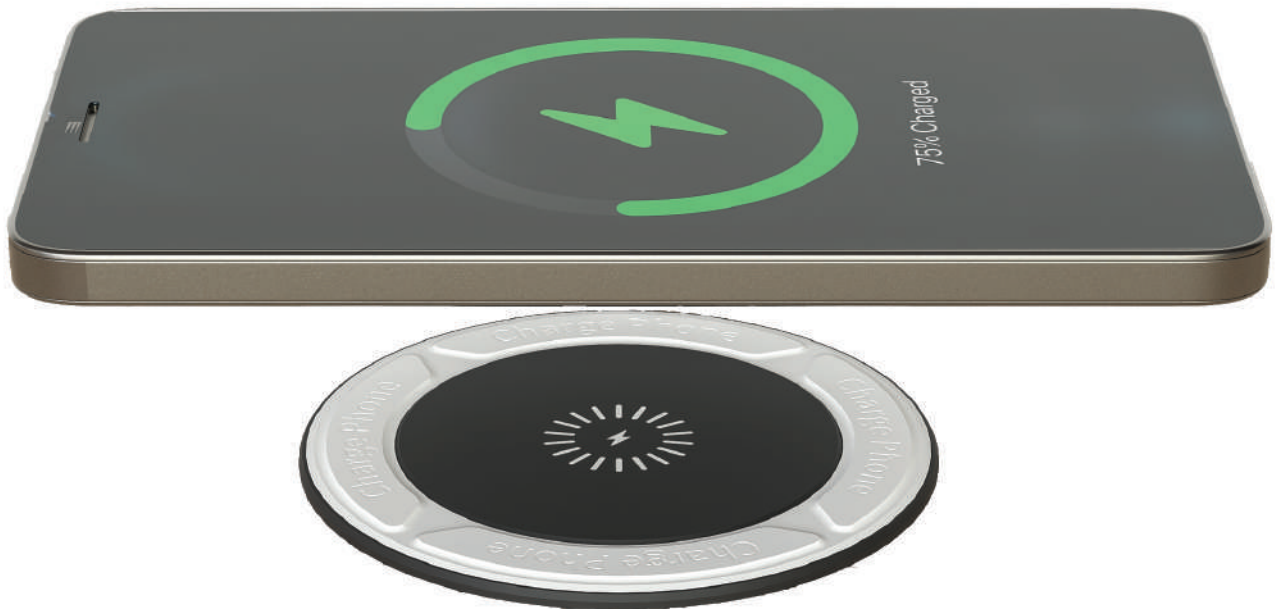

**DESIGN FOR MOST  
TABLETOPS**

The iPower WC-T15 is designed for easy integration into a wide range of tabletop materials and thicknesses.

A discreet 5mm cable opening allows the transmitter to connect seamlessly beneath the surface, while the charging pad sits flush on top — keeping wiring hidden and surfaces clean.

The result is a wireless charging solution that looks intentional, tidy, and purpose-built.
